

EVMagz

MEDIA KIT

who we are

EVMagz is a website focused on reporting on the new electric vehicles industry.

The site was officially launched at the end of 2021 and in a short period of time, with the expertise of the team, it has quickly become the website of choice for many people to get news about the electric vehicles.

our mission

Covering the best in electric cars, motorbikes, scooters, bicycles and more, as well as exploring topics from electricity generation to electric lifestyles.

our vision

EVMagz was created not only to publish the breaking news about electric vehicles, but to dissect it, promote it, and, most importantly, examine the how, what, and why of electric vehicles.
